MICHAEL E. CROWLEY, being duly sworn, deposes and says:

1. I am a member of the firm of Nourse & Bowles, LLP attorneys for Plaintiffs. It is respectfully requested that the accompanying draft Order appointing Karlene S. Jackson, Roberto C. Alicea and/or any other person appointed by Nourse & Bowles, LLP, who are persons over the age of 18 years and not parties to this action, be

signed. The appointment is deemed advisable in order to facilitate service because of the shortage of deputy marshals available to make such service expeditiously.

2. In addition, and to avoid the need to repetitively serve the garnishees/banking institutions, Plaintiff respectively seeks leave, as embodied in the accompanying proposed orders, for any Process of Maritime Attachment and Garnishment served on a garnishee to be deemed effective and continuous throughout any given day on which process is served through the opening of the garnishee's business the next business day, to authorize service by facsimile or email following an initial service of the process by hand, and to deem such facsimile or email service as being accomplished within the district if it is transmitted from within the district.

No previous application has been made for the relief sought.
